

Special email Meeting of the Board of Directors
June 29-July 1, 2010

Deb Carhart moves and Bill Simpson seconds a motion to adopt the revised mission statement as presented by Executive Director Jennifer Potter Hayes. (Please see statement below)

13 in favor

The motion is carried.

Respectfully submitted,

Joan Spring, Secretary

Mission Statement:

The Arts Center/Old Forge is dedicated to making the visual and performing arts an integral and accessible part of the lives of residents and visitors of the Adirondacks, inspired by and reflecting the beauty of our natural environment.

The Arts Center fulfills this mission year-round through

An extensive offering of exhibitions of regional and national interest and impact, with a special emphasis on the presentation of the work of living artists, and

Workshops and classes, public performances, lectures, and other activities for personal enrichment and involvement, and Space where artists and performers can develop and share their talents.

In so doing, the Arts Center/Old Forge will serve as a catalyst for encouraging the creative spirit that has long been an Adirondack tradition.
