

Pat Harrison's
Strippy Scrappy Quilt
50" x 61"

View Arts ~ October 17, 2023

Supply List

1. **A generous pile of scrap strips**, ranging in width from $\frac{3}{4}$ to $1\frac{1}{2}$ ", length of at least 12" and including a full range of value from lights, medium lights, medium, medium darks, darks. Use your cell phone's camera or a Ruby Beholder™ to check fabric values.
2. **Grey solids or your choice of a solid color**

7 Step Gradation of Grays or another solid

Step 1 - Lightest Gray: $\frac{1}{4}$ yd

Step 2 - $\frac{3}{8}$ yd

Step 3 - $\frac{3}{4}$ yd

Step 4 - $\frac{3}{4}$ yd

Step 5 - $\frac{1}{2}$ yd

Step 6 - $\frac{3}{8}$ yd

Step 7 - Darkest Gray or Black $\frac{1}{4}$ yd

3. **Foundation Fabric** – 2 yds

4. **Fabric Preparation**

Scrap Strips: Press before string piecing, discarding any strips thinner than $\frac{3}{4}$ inch. If outer edges are irregular, rotary cut straight edges on both sides. Take care to avoid using selvages in your piecing. Trimming selvages off before rotary cutting ensures more accurate cuts and eliminates the appearance of the "dreaded selvages" within the quilt top.

Muslin foundation fabric and Grey Gradation Fabrics: Wash in hot water with a mild soap (Woolite™, Quilt Soap™, or similar), hang to dry, starch and iron until crisp using either spray starch or a 50% solution of liquid starch.

Visit my website: www.oceanwavesqc.com/workshops.html for a more detailed description of this key step.

5. **Iron (dry) and hard surface pressing board**
6. **Sewing Supplies:** Coordinating sewing thread, mechanical pencil, pins, rotary cutter with a new blade, cutting mat, 6" square ruler, 6" x 24" ruler and anything else you normally use when sewing.
7. **Sewing machine** in good working order (machine manual if you use this machine infrequently)
9. **\$10** for pattern.

Contact Pat at pharrisoncj@verizon.net or 401.257.5217 if you have questions about anything on the list.
